

# FOREWORD

This wiring diagram has been prepared to provide information on the electrical system of the 1990 TOYOTA CELICA All-Trac/4WD.

Applicable models: ST185 Series

For service specifications and repair procedures of the above models other than those listed in this manual, refer to the following manuals;

Manual Name	Pub. No.
<ul style="list-style-type: none"><li>• 1990 Celica Repair Manual</li><li>• 1990 Celica All-Trac/4WD Repair Manual Supplement</li><li>• 1990 Celica New Car Features</li></ul>	RM149U RM176U NCF056U

All information in this manual is based on the latest product information at the time of publication. However, specifications and procedures are subject to change without notice.

**TOYOTA MOTOR CORPORATION**

## NOTICE

**This vehicle has an SRS AIRBAG (referred to as the airbag in the remainder of this manual).**

**When handling airbag components (removal, installation or inspection, etc.), always follow the directions given in the repair manuals listed above to prevent the occurrence of accidents and airbag malfunction.**
